

MAIL BACK YOUR STYROFOAM

NEW ENGLAND BIOLABS

1) Deface all hazard symbols and other irrelevant labels prior to shipping empty box

2) Write zip code 19104 on label, tape up, and take to a mail room to mail via USPS for free

SIGMA

1) Deface all hazard symbols and other irrelevant labels prior to shipping empty box

2) Place Styrofoam back in box and flip the flaps of the box, so return label is on the outside

3) Write zip code 19104 on label, tape up, and take to a mail room to mail via USPS for free

*Clean Styrofoam from other companies can be recycled in the CRB 1st Floor Breakroom (Room 102).
