

GREEN TIP OCTOBER 2019

PENN ENERGY WEEK: POWER DOWN

Join us this month in learning about energy - check out these upcoming events:

October 21: Energy Week Launch, 4:00 – 6:00 PM at The Kleinman Center Forum

October 23: Energy at Penn Event, 12:00 - 1:00 PM at ARCH 108

Visit EnergyWeekAtPenn.com for more information on events.

DID YOU KNOW?

Power vampires are appliances that pull electricity even when they aren't in use. Unplug unused technology or turn off power strips to save energy!
